**Trinity Youth is raising money for Speed The Light**. Speed the Light helps purchase and maintain vehicles for Missionaries all around the world. Our hope with this fundraiser is to help Missionaries keep those vehicles going. If you can help us out by donating the cost of an oil change for a Missionary, those proceeds will go to Missions and help us help Missionaries advance the gospel around the world. We also are having a contest with our youth students, and the top two students who collect over twenty five oil changes will get to go to youth camp for **FREE**. An oil change ticket costs \$40, and we would greatly appreciate your help. With your donation, you will receive a prayer card as a reminder to pray for our missionaries around the world.

**Are you following us on Facebook?** If not you can find us at trinityassemblygeorgetown. A lot of good information can be found on our Facebook page, including announcements of upcoming events, and closures due to inclement weather. Like us and share us!

To give securely online, download the QRReader App on your smart phone, then scan the box.

Saturday, April 15, 10 am, Spirit Life Center - for more info see Bill Turner. Sign-up sheet in the foyer.

**Congratulations to**... Kim Jones on he birth of her new granddaughter, Paisley Rayne Ison. Paisley was born on Sunday, March 12, and weighed 7 lbs and was 20 1/2" long.

Trinity will be hosting a Homeschool Curriculum Sale at Trinity SLC, on May 6th, 9am-3pm. Mark your calendars and start dragging out those unused or older curriculum and materials you desperately need to get out of your garage. (Or really anything that pertains to classroom). From my past experience, price your items low and you will move more stuff! To SELL at this event, the cost is \$10 (per table with 2 chairs). \$5 of this money will go in a Drawing between the SELLERS for a CASH prize to be used shopping at other Tables (this day). Depending upon our Sales of Tables, we may split this into two Cash prizes. The remaining \$5 of each table rented will go towards our Missions Fund. This prize will be awarded around 11 am. The cut off date to reserve tables is April 23, 2023. Payment for tables MUST be paid for in advance to reserve your space. Contact Sheila Douglas directly at FB Messenger, via email tsd0721@gmail.com or by landline 502-603-6514 to reserve your space, and for payment options. Please help us spread the word to friends, family and neighbors who homeschool. We hope to have a great turnout! The Missions Team will provide Concessions this day with all proceeds going toward Missions. Serving Breakfast and Lunch, Snacks and Drinks.
